Program Overview

Purpose

The NFL PUNT, PASS & KICK program creates a lively and engaging forum for boys and girls ages 6-15 to compete separately against their peers in punting, passing, and kicking skills.

Philosophy

The National Football League wants every child to be given an equal opportunity to compete. Therefore, there is no registration fee or purchase required for any participant to enter.

Participants At Local Youth Organizations

All contestants must fill out a waiver form, which is available online at NFLPPK.com or from their school or local youth organizational group (e.g., Parks & Recreation facility, Pop Warner, Jaycees, etc.). Children must be from 6 to 15 years old and show a valid birth certificate for age verification.

Age Groups

The five age divisions are: 6-7, 8-9, 10-11, 12-13, and 14-15, with boys and girls competing separately (age is determined as of December 31 of the current year). For each age division, the top scorer for the boys' division and the top scorer from the girls' division, from each Local Competition will advance to the Sectional Competition. The top five first-place scorers in each age group for each of the boys' and girls' division from the pool of Sectional Competition champions will advance to the Team Championship. Therefore, if there are more than four sectionals in your NFL market, everyone will not advance to the Team Championship—only the top four. A competitor must be a first-place winner at the Sectional level in order to be considered for the Team Championship.

Structure

Each National Football League city/team will be broken down into a minimum of four sections divided by geographic location.

Local/Sectional Competitions

Local Competitions must take place in July, August and September. Winners from each Local Competition (one winner from each of the boys' and girls' five age divisions) will move on to compete at an assigned Sectional Competition. Sectionals preferably will be held on Saturdays and/or Sundays in October.

Team Championships

Team Championships take place in NFL team stadiums in late October, November and December (the competition will take place prior to the game). A passing exhibition will take place either during pregame or halftime. ***The top four scorers from all the first-place finalists in each age division in both the boys' and girls' age groups (from each of the NFL teams) will advance to the national finals. These 40 winners plus one parent or guardian will travel to the finals at an NFL playoff game in January.***

Competition Rules

Eligibility:

1. The competition is open to all boys and girls ages 6 to 15. Boys and girls will compete separately. The five age divisions are based upon the child's age as of December 31 of the current year.
2. There is no charge to participate in the NFL PUNT, PASS & KICK program.
3. All participants must show proof of age at all levels of competition. Failure to provide a birth certificate or religious document (baptismal record) will result in that participant being ineligible to compete.
4. Participants may register and compete in only **one (1) Local Competition**. Competing in more than one Local Competition will result in the automatic disqualification of that participant.
5. All participants must submit the signed parental waiver form on page 23 to the on-site organizational group. Entry Form may be copied onto organization's letterhead.
6. Participants must be present at scheduled starting time in order to compete. Failure to do so may result in ineligibility.

Scoring/Competing:

1. Each participant will be allowed one punt, one pass, and one placekick as part of his/her competition.
2. Scores are based on both distance and accuracy. Example: If a participant passes the ball 100 feet, but the ball lands 30 feet to the right of the measuring tape, the final score would be $100 - 30 = 70$. Scores will be based on exact feet and inches (no partial inches—round to nearest inch). No participant will receive a negative score; instead their score will be "0."
3. A participant's final score is his/her cumulative total for the three individual events. Example: If participant scores (40) for punting, (60) for passing, and (22) for kicking, the participant's final score is 122.
4. If a participant goes over the line prior to or before releasing or making contact with the ball, he/she will be penalized five (5) feet. Exception: In kicking, a participant may go over the line without penalty provided the tee is placed on or behind the line.
5. There is no violation if the kicking tee is kicked with the football during the kicking event.
6. Scores will be determined from where a participant's punt/pass/kick first makes contact with the ground. Bounces or rolls do not add to the score.
7. If a participant tries to punt, pass, or kick and misses the ball completely, it DOES NOT count as an attempt and another attempt is allowed.

Regulations:

1. No football shoes or cleats of any form are allowed. Only gym shoes (soft sole) will be permitted. No bare feet allowed. Failure to wear gym shoes will result in the disqualification of the participant.
2. All equipment, other than shoes, needed for the competition will be provided by the school or hosting agency. Participants may not utilize their own equipment (tees or footballs).
3. 2-inch rubber kicking tee and side-winding style tees will be provided by the NFL.

Advancement:

1. All participants must begin competition at the school level or officially sanctioned local community competition.
2. The top finisher in each of the boys' and girls' divisions from the five age brackets of each Local Competition will advance to the Sectional round. The top finisher is the participant who has the highest final score for that round. Contestants who qualify for the Sectionals must compete at the location to which they are assigned. Each school/Local will be notified of the location of the Sectional prior to the competition. To determine and/or confirm Sectional information, please contact your State Chairperson.
3. At the Sectionals, each competitor will begin anew with a score of zero (0). Only the top four (4) first-place finishers in each age bracket from the boys' and girls' divisions from the pool of Sectional Competition champions will advance to the Team Championship. At all levels of competition, only first-place winners will be considered for advancement to the next level.
4. At the Team Championships, each of the forty (40) competitors will begin anew with a score of zero (0). The top finisher within each age bracket at this level will be declared that NFL team's NFL PUNT, PASS & KICK Team Champion. The top finisher is the participant who has achieved the highest final score for that round.
5. Only the five first-place Team Champions from each of the boys' and girls' divisions of all NFL Team Championships will be eligible for advancement to the National Finals. Their scores must be in the top four (4) nationally in their respective age groups to qualify.
6. National Finalists will be notified at the conclusion of all Team Championships (end of December).
7. At the National Finals, each competitor will begin anew with a score of zero (0). The top finisher within each age bracket at this level will be named the NFL PUNT, PASS & KICK National Champion. The top finisher is the participant who has achieved the highest final score.

Tie Breakers:

1. If a tie exists for first, second, or third place at either the Local or Sectional round, each participant involved in the tie will compete in a playoff to determine the final standings. The playoff will consist of the participants competing head to head in a repeat of all three events. The playoff winner at a Local Competition will advance to the next round. The playoff winner at a Sectional round will be eligible to advance to the Team Championships.
2. If a tie exists for first, second, or third place at the Team Championships, the winner will be determined by the contestant's score in his or her most recent competition. Example: If a tie exists at the Team Championship, the participant's Sectional round score would be referenced to determine the winner.

Miscellaneous:

1. Competitions will be held rain or shine. Local host must cancel in threatening or dangerous weather conditions and reschedule the event. Cancellation decisions will be made by the local host on site.
2. If an event is canceled, call your local Punt, Pass & Kick host to determine when your event will be rescheduled.
3. The National Football League, NFL Properties LLC, its agents, and subordinate chairperson/organizers of NFL PUNT, PASS & KICK reserve the right to rule and make any recommendations regarding the NFL PUNT, PASS & KICK competition that they feel are beneficial to the continuance of the program. All decisions are final.
4. Participation constitutes permission to use competitor's name and likeness for promotional purposes without compensation.
5. All participants' parents must sign the Entry/Release of Liability form (page 23) or complete and submit the form on-line at NFLPPK.com before participants may take part in any NFL PUNT, PASS & KICK competition.

Recommended On-field Staffing Plan*

Two Spotters

As soon as ball touches the ground, spotter immediately goes to the location where ball first touched and measures the score for that event.

Two Retrievers

While the spotters are measuring, retrievers get the ball and toss it back to the front of the line.

One Score Recorder

The score recorder should be positioned between start line and the spotters. They mark participants' scores on scoresheet after the spotters announce them.

One Score Tabulator

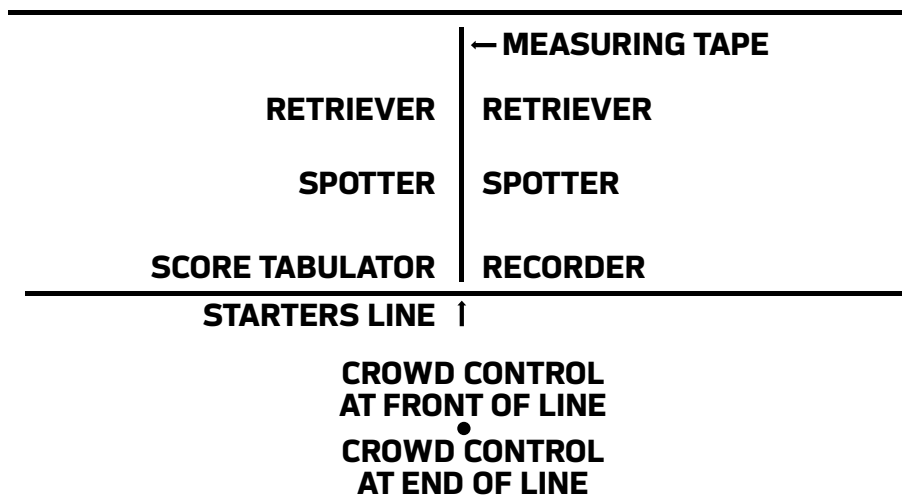

Once a given age category is completed, the score tabulator can begin to total each participant's final score and determine the winners in each age division.

Two Crowd Controllers

One person is positioned at the front of the line and one at the end of the line to help keep participants orderly. Starters help participants begin the event (place ball on tee, etc.). They determine if participants step over the line before making contact/releasing the ball. If the ball is wet, the ball should be dried off before being given to the participants. The person at the rear of the line is there to keep order and control.

* These suggestions are for one line of competition. If you use more than one line, increase the staff as necessary. We recommend utilizing at least two lines if you have more than 100 contestants.

ONE-LINE CONFIGURATION

Local Host Responsibilities

Prior To Local Competition

1. Publicize and promote local competition:
 - Newspaper advertisements
 - PSA's
 - Distribute press releases
2. Locate and inventory all necessary materials:
 - Items provided in the local kit—three kicking tees (one center, one right and one left), two footballs (one intermediate and one junior), promotional posters, and ribbons (first, second and third place).
 - Items provided online at NFLPPK.com—certificate of excellence for all participants, PPK Playbook, score sheets and entry form/release of liability.
 - Additional items needed—calculator, pens, pencils, measuring tapes (at least 80-yards long), rope/string and towels.
3. Confirm all volunteers (page 7).
4. Contact your State Chairperson to confirm your Sectional date.
5. Make copies of Entry Form and Release of Liability as needed (page 23) or online at NFLPPK.com.
6. Make copies of Scoresheets as needed for your competition (pages 19-20) or online at NFLPPK.com
7. Make copies of Rules Page to distribute to parents at competition or before (page 24).
8. Make 8 copies of Congratulatory Letter for winners (page 21).

Day of Local Competition

1. Volunteers arrive at least 30 minutes before the competition starts.
2. Set up registration area—tables/chairs, entry forms/release of liability, clipboards, pens/pencils, and Rules Page.
3. Set up lines for competition (page 7). Set out towels, measuring tapes, balls, and tees. Two lines for every 100 participants are recommended with a minimum of six volunteers on each line.

As Kids/Parents Begin To Arrive

1. Check-in each participant by verifying birth certificate and age group; have parent/guardian sign an entry form/release of liability (2 volunteers) if they have not done online.
2. After checking in, participants are to be directed to the warm-up area.

3. After the participants have been welcomed, warmed-up in each skill, and informed of the schedule of events, direct them to their assigned line and begin the competition (6 volunteers per line).
4. Make sure the score sheets match the line each participant is in. SCORE SHEETS MUST BE LEGIBLE.
5. You either may have participants attempt their punt, pass, and kick and be finished OR have participants go through the line and attempt each skill one at a time. Be consistent and use one format for the entire day.
6. Keep the entire competition running as smoothly and quickly as possible without rushing the participants.

After the Competition

1. Once the scores have been tabulated, make sure they are checked by two or more volunteers.
2. Awards (ribbons) should be presented by age group from third to first announcing the “total scores.”
3. Once the first-place winners are determined (there can be a maximum of 10 first-place winners ONLY), each should be given a copy of the Sectional Congratulations Letter (page 21) with ALL of the Sectional information included.

Within 24 Hours of Competition

1. Log in and enter winners’ results online at NFLPPK.com
2. If needed, confirm your Sectional Host with your State Chairperson.
3. **Keep the (10) ten first place winner entry forms and mail ALL remaining Entry and Release of Liability Forms** in the enclosed, preaddressed envelope to:

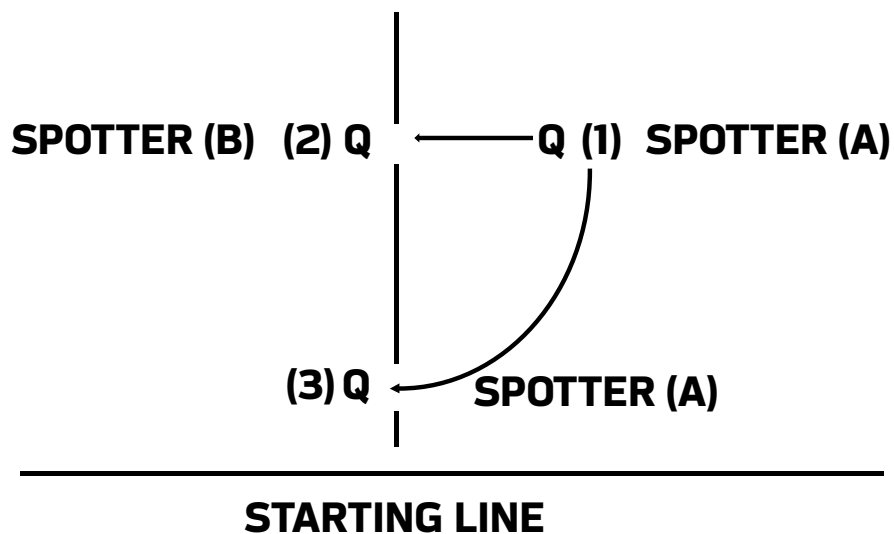

NFL PUNT, PASS & KICK PROGRAM
280 PARK AVENUE
NEW YORK, NY 10017

4. **DO NOT DISPOSE OF ANY FORMS!** Your competition will not be considered official if you have not entered your results online.

Measuring Instructions

In order to ensure that all measurements are done as quickly and as accurately as possible, we recommend that you follow the method described below:

- Two Spotters are essential for all measurements.
- Chalk a straight horizontal line approximately 15-20 yards long at one end of the field. This line will be referred to as the starting line.
- Place your measuring tape or string perpendicular to the starting line. This tape should be at least 80 yards in length and centered on the starting line.
- Spotter (A) should have a string at least 60 yards long. This string will be used to mark where the punt, pass, or kick first hits the ground.
- Spotter (A) should run to the spot where the ball first lands and place one end of the string on that spot (see diagram point 1). This spot should be marked until further instructed.
- Spotter (B) should then walk perpendicularly with the free end of the same string in the direction of the measuring tape. Once at the measuring tape, Spotter (B) should pull the string taut and hold securely that point where both lines intersect (see diagram point 2).
- Spotter (A), with Spotter (B) remaining in his place, should then pick up his end of the string, while still marking his point on the string, and walk diagonally toward both the starting and measuring lines. Once the original spot is aligned directly over the measuring tape, the string should be pulled taut in the direction of the start line. In doing so, you will be subtracting the inaccuracy of the punt, pass, or kick from its distance. When the string is taut, the new point on the measuring tape should be marked. This point will be referred to as the score point and should be recorded in both feet and inches. This point constitutes the participant's score in the event (see diagram point 3).

- Inform the PSA director that you have an upcoming free event for young people organized by the civic or nonprofit group that you would like to have publicized on the air.
- Ask them to run an announcement “in rotation” between the time you call and the day of the event.

- Provide them with the following:
 - ___ Press release announcing competition (see sample, page 15)
 - ___ Fact sheet (see page 14)
 - ___ Ready-to-read 15-second announcements (see sample, page 18)
 - ___ Information about your organization
- It will be helpful to provide the station with ready-to-read, 15-second announcements. These should include:

- You may wish to provide the sports director with more information than what is shown above; he may want to do a feature story or interview on any number of program elements, perhaps including the history and growth of the program, past participants who now are in the NFL, and any children in your area who advanced to the Team Championship last year.
- Make sure you provide the PSA director and sports director with your phone number(s) so they can contact you for additional information, if needed.

Some Additional Advice:

Make sure that your message is geared toward the listeners in the area you want to reach. If radio stations can see this program as a potential benefit for a significant part of the population, it is likely they will make a place for it in their programming.

The biggest thing this program has going for it, and the primary reason radio stations should want to help publicize it, is that the free program benefits a vital segment of our population: kids.

Radio Do's And Don'ts:

DO use local team identification in all NFL Punt, Pass & Kick press releases.

DO play up that this is a free program for kids and run by a civic/volunteer/nonprofit organization to benefit the community.

DO use the correct name of the program: NFL Punt, Pass & Kick.

DON'T be shy about asking the radio station to help get the word out.

DON'T assume that any information you give to the PSA director will reach the sports department; give the sports department its own information.

DON'T bury the radio station with reams of pages and information about NFL Punt, Pass & Kick. Keep it short and to the point. If they need additional information, they will ask you for it.

Competition Rules

- Participants may register and compete in only ONE Local Competition.
- Participant's age is determined as of December 31 of the current year.
- NO football shoes or cleats of any form are allowed. NO bare feet.
- All equipment, other than shoes, needed for the competition will be provided by the hosting organization. Parents/participants may NOT utilize their own equipment. (2-inch rubber kicking tee and side-winding soccer-style tee will be provided by the NFL).
- Each participant will be allowed ONE punt, ONE pass, and ONE placekick as part of his/her competition.
- Scores are based on distance and accuracy. Example: If a participant passes the ball 100 feet, but the ball lands 30 feet to the right of the measuring tape, the final score would be 70 (100 - 30 = 70).
- Scores will be based on exact feet and inches (no partial inches—round to the nearest inch). The lowest score is "0." No negative scores will be given.
- A participant's final score is his/her cumulative total for the three individual events. Example: If participant scores 40 for punting, 60 for passing, and 22 for kicking, the participant's final score is 122.
- If a participant goes over the line before releasing or making contact with the ball, he/she will be penalized five (5) feet. Exception: in kicking, a participant may go over the line without penalty provided the tee is placed on or behind the line.
- There is no violation if the kicking tee is kicked with the football.
- Scores will be determined from where a participant's punt/pass/kick first makes contact with the ground.
- If a participant tries to punt, pass, or kick and misses the ball completely, it does NOT count as an attempt and ONE additional attempt is allowed.
- If a tie exists for first, second, or third place at either the Local or Sectional, each participant involved in the tie will compete in a playoff to determine the final standings. The playoff will consist of the participants competing head to head in a repeat of all three events. The playoff winner will advance to the next round.

Advancement

- The top finisher in each of the boys and girls divisions from the five age brackets of each Local Competition will advance to the Sectional round. The top finisher is the participant who has the highest final score for that round. Contestants who qualify for the Sectionals MUST compete at the location to which they are assigned.
- You will receive notification from the Local Competition Host if your child is advancing to the Sectionals. ALL first-place finishers advance to the Sectional level.
- If you do not receive notification, please visit www.NFLPPK.com to find your State Chairperson.
